

PUBLIC SPEAKING FOR THE TERRIFIED

Is this you?

*Public Speaking ranks
No. 1 in Fear Factor*

Public speaking is a 21st century
business essential.
Those who master the art
are bound for glory,
those who don't are bound to
underachieve.

Don't let your fear hold you back any longer.

Sign up today for PUBLIC SPEAKING FOR THE TERRIFIED seminar.

We will show you:

- * The formula to make presentations that knock their socks off!
- * Tips on using humor and visuals with your talk.
- * How to overcome nervousness before your speech.
- * Tips for the Master of Ceremonies.
- * How to prepare quickly for impromptu talks and speeches.
- * How to use these skills in marketing your business or yourself.
